

**PE and Sport  
Premium Review  
2018 -19**

## PE and sport premium review 2018 -19

As part of the 2012 Olympic Games, the government provides additional PE and Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we have invested our funding and the impact of our previous year's expenditure.

At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

In 2018/19 we invested in:

- Providing places for pupils in a Cycling Club and for Cycling activities
- Providing children through our Sports Week, with opportunities to take part in a variety of sports and outdoor activities which would not usually form part of a primary curriculum
- Hiring dedicated sports venues e.g. Lee Valley Indoor Athletics Arena
- Providing additional swimming for children in KS2, outside of curriculum, to improve confidence and competency
- Opportunities for SEND children to participate in cricket with specialist coach
- Borough wide sporting events e.g. Hackney Primary Triathlon
- Exposing children to a variety of sports
- Opportunities for children's sporting ability to be developed and potential to be recognised
