

Creativity and Enrichment 2019-20

Specialist Arts teaching

Our beautiful meadow is home to the Creativity Centre which houses the Art Studio and Music Room. All children access weekly music lessons and singing with our specialist music teacher. We have peripatetic music teachers who provide instrumental lessons for Key Stage 2 children and a gospel choir leader who has joined us this year. Also new for this year is our pottery kiln; our art teacher will be working with each year group over the course of the year on an extended ceramics project linked to their topic.
