

News from the Art Room

It's been a very busy month here in the art room. We hope you managed to visit our Autumn Art Show in the Community Centre this week – a big thank you to Paige who has been collating and curating the beautiful artworks produced this term by our creative children! Now that we have our new kiln up and running, we have been creating clay artwork in several year groups. Year 4 have been working on some brilliant Roman busts which wouldn't look out of place in a museum.

Additionally, we have all enjoyed our fantastic whole school book project on the book More-igami. Children across the school have been putting their fine motor skills to the test by creating some amazing origami folding artworks. Please pop in to the reception area to see some of them on display. We'll be adding more of our writing to this display soon.

Trips

We've had a term of exciting trips for children this Autumn, ranging from The Postal Museum (Reception), the Museum of London (Year 2, Year 3, Year 4), Museum of Childhood (Year 1), Hackney Museum, (Year 2), London Transport Museum (Year 6)... the list goes on! Thank you to all the support we've had from families on these trips. Please keep checking the website for updates about trips. Where we have photos we will post these for you all to enjoy.

Reception at the Postal Museum

Year 1 at the Church

Foodbank Collection: Thank you!

Jubilee Primary School collected 116.30 kg of food during the Christmas season. This has provided 277 meals for local people in crisis. Thank you for all your efforts in supporting Hackney Foodbank!

Online Safety

During a class discussion in Year 2, a group of children spoke about seeing a scary video on YouTube with a character called The Games Master in. YouTube is a great website but anyone can upload videos to it so it is important that parents monitor its use at home. There is a safer version of YouTube called YouTube Kids that can be downloaded. Please ensure that your child is using the age appropriate version of YouTube and monitor the usage. Thank you.

Carols in the Meadow

Thank you to everyone who joined in with the brilliant Carols in the Meadow event last week. It was great to see so many members of our school community singing together and celebrating. There was a joyful atmosphere and lots of happy faces! Thank you to all the musician and helpers from the PTA who supported John in setting up and providing refreshments. We raised £145 on the day which will go towards music resources for the school.

Cycle league

After two cycling events Jubilee find themselves in 1st place, but we still have a whole season of racing ahead of us with plenty on twists and turns to come. This is a real team effort so keep up the good work. [Click here](#) for the latest report.

Sports News

Tri-golf

Ten children from YR3 took part in a Tri-golf festival at Queensbridge Leisure Centre. The children participated in a carousel of events that challenged their chipping and putting skills. All the children enjoyed the event and we have some budding Rory McIlroy/Sandra Gal golfers in the school.

Football

The boys' school football team recently took part in the early stages of the Hackney schools Five-a-side league. After a slow start and losing their first game the boys went on to win two and draw one of their four games. Well done boys!

KSI Multi-skills festival

Ten Children from Yr2 took part in a multi-skills festival at Kings Hall Leisure Centre. They took part in a carousel of events based around balance and agility. All the children who took part had a great time competing against and meeting children from other schools.

Orienteering

The school orienteering team took part in the Autumn Orienteering league. With one event rained off that meant it was going to be a very close competition. In the end Jubilee came third with 53 points separating 1st and 3rd place. However, in the overall individual league (best 3 results), the boys competition was won by Brandon, Tibor of Jubilee and the girls competition by Lucy.

London School Games

The London School Games cross-country took place at Hampstead Heath Park on Saturday 16th November, with four girls from Jubilee represented Hackney. A big well done to Charlie G, Poppy, Grace and Agnes. It was a great experience for them and one I am sure they will never forget.

Bikers Breakfast

We recently held at biker breakfast a Jubilee school with over fifty bikes being left for the mechanics to look over. They worked solidly for two hours and nearly got through the lot, but unfortunately time was against them. We will be hosting another bikers breakfast in the Spring term and a big thank you to Angus' dad, Dave and Malaki's mum, Quanna who volunteered to help set-up the event.
