

Summertime Talent!

We've always been blown away by the incredible performances at the talent Show at Jubilee, but this year it really was extra-special! Of course, we wish we had been able to hold a real live show, but this didn't hold our talented bunch of stars back in the slightest! In fact, children were able to demonstrate their talent in a wide range of exciting settings, such as a skatepark or garden.

In Early Years and Key Stage 1, there were so many highlights we couldn't choose our favourites...! From Sadie's Frozen 2 lip-synching, Youssef's piano playing, to Kai's magic show... it was all delightful. Kadeen and Rhomayne's pop song has been a real hit in the staffroom and we've been singing it around the school – remember us when you are famous, won't you?!

In Key Stage 2, you were all so unique and impressive in your own special ways (Mina's eyes...! You have to see it to believe it!)

We haven't included the link here, as you will need to head over to your Google Classroom to watch the videos. Don't miss it!

On our way to 5k!

See how we are getting on in raising funds for IT equipment for the children and how you can help by donating or taking on your own challenges. Click [here!](#)

Busy Bumblebees!

One of our bubble classes during lockdown, named the Bumblebees, has created this amazing memory quilt. The Bumblebees consisted of children in Y5, Y4, and Y2. Each child had a hexagon, just like in a honeycomb in a hive, and they sewed their part onto it. What an amazing way to remember this special time! We'll be finding a great location around the school to hang it. Now you are forever bonded. Thank you so much to all the adults who supported this project!

Art Exhibition

We are always impressed with the fantastic artistic talent at Jubilee. These past few months children have been completing wonderful creative assignments at home.

We have created a Summer 2020 online gallery titled, **Jubilee: Inspiring Imaginations**. This gallery celebrates all of the hard work put into online learning at home and the dedication each and everyone of you have to the Jubilee community.

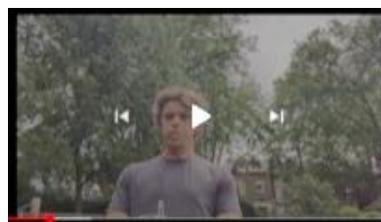

You can click on this [link](#), or download the artsteps app, and login as a guest. Search for **Jubilee: Inspiring Imaginations**.

School Uniform

It's back to full school uniform for the start of a fresh new academic year. Remind yourself of the uniform and find the link to order the logo items in our handy information sheet. Click [here](#).

Sporting Achievement Award

Since 2008, we have been presenting a special award to a child each year. Mark has filmed this video to announce the sportsperson of the year at Jubilee. Please watch the video to find out more about the other sporting achievements of children at Jubilee this year.
