

## A Message from Mrs Hewins

We all had a fantastic day earlier this month with our much-loved World Book Day celebration. It was a fabulous way to welcome everybody back to school at the end of our first week back. Thank you to all the children and families that supported them to create a real range of brilliant looks and character costumes! We were all able to share these with each other during our virtual assembly. Please see the [website](#) for more photos. This was followed by another dress up day to raise money for Comic Relief, by wearing a red outfit and bringing a joke to light up our day! You can still donate and see how much we've raised by clicking [here](#).

In other news this month, we are delighted to announce that Jubilee has been re-accredited with the Artsmark Gold award. This is in recognition of the creative arts offer at the school. The last 12 months have been very difficult for everyone, but we are hopeful and excited about being able to provide a full enriched creative curriculum and also to welcoming parents back for exhibitions and performances again. We already have some exciting plans about the Disney performance in Year 5, and it feels just brilliant to be able to put a few dates in the diary for special events towards the end of the year.

We hope you all have a lovely Easter break and remember to stay safe. We will see you all back at school on Monday 19<sup>th</sup> April for the start of the summer term.

## Inspiring Musical Creation by Year 3 and 4

During the school closure, children in the Year3 and 4 bubble created artwork to a piece of music by a composer called Andy Akiho. There is a concert which has been put together by the LSO featuring the music and the children's artwork! It's a mesmerising creation! Please [click this link](#) to take you to the moment Jubilee is featured. Enjoy!

## NEXT PTA Meeting: 23rd April 2021 10am

**Topics:** Garden Committee, New Hall Upgrades, Summer Fair, Other Fundraising Suggestions

## GARDENING

Our mission has always been and remains for Jubilee Gardening to be a learning experience and resource for all Jubilee pupils, as well as providing a place of sanctuary and calm for those most in need at Jubilee, be that pupils with behavioural or learning challenges, those without access to open spaces or gardens at home, or staff needing a little quiet time away from the school building. Feedback from everybody is that this space and these lessons provide something very special that have become embedded in the life and culture of our school. With Covid-19 social distancing measures, all our Garden activities were suspended. We would now love to organise a weekly gardener and a rota of parent volunteers to support them. The PTA reserved some funds to support these activities, so we just need to reinvigorate the **PTA Gardening Committee** inviting parents and carers who may have a special interest in gardening, to come forward and get involved. There are many planting areas that need TLC at Jubilee, and we would love to have the families at Jubilee participating in keeping Jubilee looking beautiful and at its best. Send us an email to [jubileen16@gmail.com](mailto:jubileen16@gmail.com) if you are interested to join the PTA Garden Committee.

## EASYFUNDRAISING

Thank you for everyone who signed up with easyfundraising to support our cause: "Jubilee School PTA (N16)"! Every donation you raise by shopping online will make a big difference to us. Please also encourage your friends and family to join in too. Sign up if you haven't already. Don't forget to use easyfundraising whenever you buy anything online. It's a quick and easy way to support our school. You can raise free donations for us with thousands of popular retailers. Every penny helps. Go to <https://www.easyfundraising.org.uk/causes/fojps/> register with EasyFundraising and select the 'cause' you want to support which is "Jubilee School PTA (N16)".

## Donations for Early Years

Early Years would welcome donations of Lego, dressing up that your child may have outgrown, any car toys, dolls and any other toys (except soft toys) in good condition that your child no longer plays with. We would also welcome donations of socks and wellies in good condition. Please bring to the Osbaldeston Road Entrance and pass to the Reception staff at 9am or 3:30pm. Alternatively you can leave donations at the main office. Thank you!

## Aladdin, Year 2

Year 2 made their own magic carpets and went on a magic carpet ride over the city of Agrabah to help generate ideas for their creative writing based on the story of Aladdin. The children had such fun describing their journey and all the magical things they saw, before writing a letter to the Sultan to tell him all about it!
