# What does my playground look like?

We have two slides, and two climbing frames! You can ride bikes, scooters, or play in the Beach Café! We have different activities out each day, but you can always play with your favourites.

# What does my classroom look like?

We have painting, sand, water, a role play area, and book corner. You can always choose your favourite activities and enjoy what you like to do! We have lots of games to choose from!

# What happens at lunchtime?

All the children eat lunch in the nursery with the teachers. You can have a packed lunch or a school dinner. After lunch, we play games or have a story and then we go outside to play.

You will need to bring a water bottle with you every day. Remember to put your name on it!

# What does the toilet look like?

This is where you will go to the toilet. You will wash your hands by yourself. All our toilets are small, so can sit on them easily. If you need help in the toilet, you tell us and we will help you.

# See you soon!

All the children have a wonderful time and learn a lot in the nursery.  
We can't wait to meet you!
