Geography • Where We Live : London *Our School*

**Key Learning Question:** What is the geography of our school?

Crucial Knowledge

- Cazenove Road, Filey Avenue, Chardmore Road and Osbaldeston Road surround Jubilee Primary School.
- Jubilee School is a part of Hackney.
- The land and buildings in our school and local area are used for different purposes.
- Maps and aerial photographs are birds eye views.
- Maps help us to identify and locate places.
- Keys are used to make maps simple to read and use.
- Geographer's use field work to understand the world. For example, looking, listening, sketching, taking photographs, asking questions and counting.

Key Vocabulary

city:	A place people live and work that is larger than a **town**.
geography:	The study of the Earth's surface, including the impact of human life on it
feature:	Something interesting or important in an area of a country.
house:	A building where people live. It usually has a ground floor and stairs.
shop:	A building where people can buy things
office:	A place where people go to work
locate:	Discover the exact place of something
surround:	Be all around someone or something
Compass:	A tool for finding directions including North, South, East and West.
Key:	A picture or writing to help understand a map.
United Kingdom:	Also sometimes called The U.K. It is a country made up of 4 nations: England, Scotland, Wales and Northern Ireland.

Big Ideas: Fieldwork • Mapping
• Compass directions • The Human World
• Countries of the United Kingdom

**Four Point Compass:**

N = North
E = East
S = South
W = West
