

The Jungle Book

Year 5 staged a dazzling production of 'Jungle Book Kids' just before half-term. Now in the 5th year of our partnership with Disney Musicals in Schools, it has become a Jubilee tradition and we were so pleased to be able to welcome in a full audience for two evenings as well as performances to all the children during the school day. Year 5 worked incredibly hard to put the show together, and huge thanks go to the PTA for funding the lighting and sound upgrade in the hall, as well as providing refreshments at the performances, to Year 5 parents who made donations, helped make costumes and rustled up tasty treats, and to Laura Beth, our LAMDA coach who helped put together some brilliant choreography.

It was a wonderful experience for the children which they will remember for a long time. We are looking forward to getting back to a full programme of gatherings and performances again soon! See more photos on our website [here](#).

World Book Day

On Thursday 3rd March we will be hosting a World Book Day breakfast from 8am to 9am in the New Hall. Everyone is invited! There will be light refreshments and lots of lovely storytelling. Please dress up and bring your favourite book to share!

Class Assemblies

We are delighted to be able to bring our fabulous class assemblies back for 2022! We are inviting parents to come along to watch these special events. Please arrive at 10:10 in order to be seated for a 10:20 start.

Date	Class
4 th March	Year 6 Oak
11 th March	Year 4 Rowan
18 th March	Year 6 Ash
25 th March	Year 4 Willow
1 st April	Year 3 Beech
22 nd April	Year 2 Elm
29 th April	Year 3 Birch
6 th May	Year 1 Spruce
13 th May	Year 2 Hazel
20 th May	Year 1 Pine
27 th May	Rec Walnut
10 th June	Year 5 Aspen
17 th June	Rec Chestnut
24 th June	Year 5 Alder

Cycle League

Jubilee Primary School took part in another Cycle League Competition on 11th of February. This time, Year 4 and Year 5 Girls and Boys enjoyed the Mountain Bike Track at Mabley Green. Jubilee Team did very well in a difficult and long track. We had a few medals at the end of the Competition. A big well done to all the children in the team; we are so proud of you!

Term Date reminder:

The last day of term is Friday 1st April. School closes at 2pm on this day and there is no after school club. School reopens for the summer term on Tuesday 19th April.

Red Nose Day!

Please pre-purchase a red nose for £1.50 on parentmail through the ticket that has been created. On 18th March, children can wear red and make a donation to our Justgiving page here: [Jubilee Primary School is fundraising for Comic Relief \(justgiving.com\)](https://www.justgiving.com/Jubilee-Primary-School)

Artwork along the River Lea

Year 3 went for a walk along the River Lea to see some artwork by the artist Angry Dan. We took inspiration from this piece of art and a workshop with Angry Dan to create our own artwork in the same style.

Absences

Please report any absences to us on parentmail before 9am each day. Thank you!

Apply for a Nursery Place

You can apply for a nursery place when your child is 2 or 3 years old. Children usually start nursery in the September after they turn 3. We offer full time, term time only nursery places from 9am -3:15pm each day, or part time places in the early or late week places. You can apply by clicking [here](#) to fill in the online form. More information about our nursery is available on our website [here](#). Please email admissions@jubilee.hackney.sch.uk if you have any questions.

Gardening

After a short mid-winter hiatus, our gardening sessions have resumed. Spring seems to have sprung earlier than expected, with daffodils and primroses appearing alongside the usual February snowdrops. This week Year 5 did lots of weeding, as well as pruning the rosemary bushes and taking bunches home to add to their dinner! Thanks to the PTA who fund our gardening project and the parent volunteers whose support we rely on.

Marching into March

We are encouraging the children of Jubilee to be even more active than they already are by launching 'Marching into March'. We will be lending each child from Yr1 to Yr6 a pedometer that they can wear by clipping it on to their waistline. The aim is for the school to achieve 20,000,000 steps in the month of March. The children can take the pedometers home so they can record their steps over the weekend and as we begin to have more daylight hours why not join them in achieving their daily target? Not only will this be fun, but we will be collecting the data and using this information in maths and science throughout March.

Panathlon

On Wednesday 9th February a team of eight children took part in a panathlon festival at Britannia leisure centre. The team had great fun taking part in eight different events over the afternoon and to make the day even more exciting they won the festival and received a T-shirt, a medal and a certificate each. A massive well done to Malaika, Kilic, Aiman, Alex, Daniel, Rayyan, Khalid and Goncalo.
