

Biking for Books!

Nine of the Jubilee teachers cycled from Swanley to Hastings which was a staggering 65miles (not including the cycle to Victoria Station to get our train to Swanley)! We finally arrived 10 hours later, after leaving from school at 7.30am.

The journey took around 7 hours of cycle time. The first 2 thirds of the cycle were pretty hilly, which made it challenging, but great fun was had by all. Great effort and fantastic team spirit got us through to the end and the last half an hour we cycled along the coast which was simply beautiful.

Thank you so much for all the support and a massive thank you for all the donations. It is hugely appreciated and will help to kit out the school with new books and literacy resources for our lovely children. Watch the video (2mins) [here!](#)

You can still donate by clicking [here](#). At the time of going to press, we have raised a staggering £3,547! Thank you all!

Sports Days across the School

Children from Nursery to Year 6 have enjoyed their Sports Days this month, and each one has been absolutely brilliant! After missing out on these special days for the last two years, memories were made for all the children and their families this year. The sun came out for all of us and children enjoyed all of the activities that Mark and Emilio prepared.

Thank you to all of the families who came along to watch and cheer on from the sidelines. See more photos on our website!

Jubilee does Jubilee!

Earlier this month, children were learning about moments from history during the reign of Queen Elizabeth II, with each year group focusing on a different decade. The Notting Hill Carnival, the 2012 Olympics, Britpop and our school's renaming to mark the silver Jubilee in 1977 have all been explored by pupils this week. Each child created a piece of themed bunting and we came together in a sharing assembly. We also had a very special guest: The Queen (of junk!) who presented her amazing costume design using sustainable materials! We topped off the week with our very own 'Street Tea Party' in the playground, which was so much fun for everyone.

Portraits in Year 2

Year 2 had a portrait drawing workshop from one of our amazing parents. Our art topic this half term is portraiture and we loved learning how to look closely at our features while we draw them and how to use charcoal and chalk how to show areas of light and shade. Thank you to Tanya for leading the workshops.

Nursery Mermaid Scene

As part of our learning about our topic, The Seaside, the children in nursery have been exploring characters from seaside stories, including mermaids and pirates. This term, the children in Pear Class created a giant mermaid, crab, squid and seahorse, decorated with all kinds of shiny treasures! As well as joining in with this class project, the children have been singing sea-themed songs and playing with sea creature resources.

Busy at work! We have been working on this project for two weeks.

Dogs on the School Premises

We allow small dogs on the premises but we do ask that they are carried. We ask kindly that larger dogs are secured outside the school gates. We reserve the right to ask that dogs are kept outside of the school, as children may be unfamiliar with dogs and can be scared. We thank you for your understanding in this matter.

School Council

School council have been busy clearing litter from our school grounds to make sure they are wildlife friendly and pleasant for us to be in. They will be keeping a close eye on the school playgrounds and doing weekly checks to make sure playgrounds are clean. Thank you school council!!

Jubilee Summer Fair

**Saturday
2nd July 2022
1-5pm**

**Parents & Carers
Tickets £1**

Money raised will go towards new books and our
school gardening classes.
