

Winter Fair 2022

A Magical Winter Fair!

Last Friday we enjoyed a magical winter fair at the school with plenty of fun, games and merriment! It was brilliant to see so many families joining in and helping us to raise funds to help support the school to deliver enriching activities and provide quality resources for our children. The school would also like to say an epic thank you to everyone who helped at this fair. There are so many people to thank, and we are so grateful for each and every one of you to have given your time in this way. It is always a huge team effort and this year was no different!

We can't list everyone but thank you to each team: The PTA Planning Team * The Grotto Team * The Jubilee Events Team * The Pre-Loved Toy and Book Team * The Raffle Team * The Pre-Loved Uniform Team * The Face-painting and Glitter Tattoo team * The Arts and Crafts Team * The Cakes Team * The Food Teams * The BBQ Team * The Games and Activities Team * The Mulled Wine Team *and all the amazing helpers and supporters on the day, running stalls and helping with set up and clean up, anyone and everyone who donated; and finally... Santa! Thank you to Jeanne and Serena for pulling all the teams together and making the magic happen. Thank you to all the local businesses who were able to support us by donating to our raffle; what a difference these prizes make to our fundraising goals. We were delighted that Michael Naik, an estate agents in Stoke Newington, generously donated £500 towards our winter fair! Thank you Michael Naik! Our running total raised by the Winter Fair 2022 and the Carol Concert combined is... **£5,674!!** Well done everyone!

Brilliant Bake-Off!

Thank you to all the children who entered our bake-off this year! The theme was Winter Magic, and all the cakes were truly magical! Mrs Hewins had the tough task of judging the cakes, which really must be the highlight of her annual calendar! A big congratulations to all the cake-makers; you did an amazing job. The winners and runner-ups were:

KS1 / Early Years

Lily A-P, Chestnut Class, chocolate crispy
Rafi, Chestnut Class, Watermelon

KS2

Vlada, Alder Class
Joseph, Magic Hot Chocolate cake, Willow Class

Special mentions:

Tola, Willow Class, Moss cake
George, Pine Class

The winners and runner-ups will receive a book voucher for Stoke Newington Bookshop. Thank you for entering the competition! This bake-off raised £456 for the school. Amazing!

Christmas Lunch!

Everyone had a delightful time at our Christmas lunch this week! We all made party hats, and listened to a medley of live music by John and Nesson with some Christmas smash hits thrown in for good measure! It was all round festive fun and delicious food from our kitchen caterers! Thank you to the team who helped us to serve the lunch and create a wonderful atmosphere for the children.

Carols in the Meadow

This week we held our annual "Carols in the Meadow" concert. Our KS1 and KS2 singers had worked so hard to prepare their performance and braved the freezing temperatures along with a large audience of parents and loved ones. Many thanks to the PTA who provided hot drinks and treats, all proceeds going to the music budget to help us carry out some much-needed repairs on instruments.

Save the Children

THANK YOU so much to all who have donated to Save the Children this year with our Christmas Jumper Day. We are so proud to have raised £250 for this amazing charity this year. You can still donate if you have not already done so: [click here to donate what you can.](#)

Thank You Snow-Shovellers!

Thank you so much to all the parents, carers and helpers that came along armed with spades this week to help clear the snow and ice from the playground so that the children could get outside to play. You were absolutely amazing and we were just blown away by the support. Thank you. [CLICK HERE TO SEE HOW THE HEROES HELPED!](#)

Farewell to Miss Louise

We are very sad to say goodbye to Miss Louise, who is leaving to start a new role at a different school. She has been at Jubilee since 2019, and in that short time has made a huge impact, helping to improve teaching and learning for the children, particularly in phonics. We know Miss Louise will go on to have many successes in her new role. Please join us in wishing her all the very best for the next chapter in her career.

Year 6 visit the British Museum

Year 6 enjoyed a great trip to the British Museum this week. They explored a range of galleries but focused on the Benin bronzes, which they have been learning about in Art and History lessons this half-term. They looked for different examples of different animals important in the Kingdom of Benin, including leopards and crocodiles. They showed off their fantastic knowledge during a presentation by a British Museum expert who was very impressed with everything they have learned. In school we have also been debating the contested nature of the bronzes and the ongoing discussions about whether they and other treasures in the British Museum should be returned to the countries they were made.

Snow!

The Prefects

A Message from Mrs Hewins

I would like to say how impressed I have been by the prefects this term. This group of children in Year 6 have been super: pro-active, ideas-led team-workers! They have helped to organise and lead the planning and promotion of our Cinema Night, as well as their own stall at the Winter Fair, raising more than £500 this year already. They have shown dedication and positivity at every turn! Well done to them all: Sumaiya, Sonja, Dei, Campbell, Dawid, Josiah, Ina, Clea, Feile, Alice, Shuyan.

Santa visits Jubilee!

Our very own Father Christmas took some time out of his busy schedule and visited the children this week and gave each child a book to keep. The children in nursery were thrilled!

Jubilee PTA

If you would like to be more involved in the PTA and help support the school in raising funds, please come along to our Annual General Meeting (more information coming soon!) on 27th January where you can find out more about the work of the PTA. We will also be holding elections for key roles within the PTA in the New Year. More information will be sent out at the start of next term. Everyone is welcome and valued so please do come along if you can.

Forest Road Youth Hub

Last month, Year 6 visited the Forest Road Youth Hub for a workshop to learn more about TfL. The professional who was delivering the workshop (see photo), was a previous student at Jubilee school and now works for TfL! Dilan Kanidagli left Jubilee in 2005. The children were all very inspired and it was an interesting day! Thank you to Dilan!
