

November 2022

Cooking Workshops in Reception

Reception have really enjoyed their cooking workshops in the Community Centre with Matthew. They made loads of delicious, healthy dishes, including tzatziki, couscous salad, tortilla chips and fruit salad. As part of the preparation, the children visited the school garden to collect sage and rosemary. Matthew taught the children how to hold a knife safely in a tunnel grip or a claw grip. All the children loved sharing them with their families at the end of the day. Each child in Reception will have a chance to enjoy a workshop this term. A huge thanks to all the parents and carers who were able to come along and join in!

Christmas Jumper Swap & Shop

[Renaie and Clover](#) (Y3) have a great idea to help you save money, save the planet and raise money for Jubilee!

Please bring in any old Christmas jumpers to donate to school next week. We will then sell these at the Winter Fair to help raise money for the school fundraising efforts.

Please note that Christmas Jumper Day for Jubilee has now been moved to the following week to allow us to collect jumper donations. Please wear your Christmas Jumpers on Wednesday 14th December and donate to Save the Children [here](#).

WINTER FAIR

Please come along to the Winter Fair on Friday 9th December, 3:30-5:30pm, New Hall and KSI Playground

Hover camera here to donate:

A Cycling Challenge!

The staff at Jubilee would really like to raise funds to help pay for new books to foster and develop our children's love of reading. In order to raise money, teachers at Jubilee will be heading off on Saturday 21st January for a cycling adventure traveling from St Albans to Harpenden, and then completing a challenging loop of the Chiltern Hills. The tricky 54-mile route will test their resilience and strength and take approximately 7 hours to complete. With spirit and determination, they hope to raise lots of money for the school to buy interesting and exciting books for the children to take home and enjoy! We will send out more information soon. Thank you to the staff taking on this amazing challenge!

Early Closing for Parent/Carer

Appointments for Y1-Y6
(not Reception or Nursery)

Tuesday 10th January, 2pm

Playcentre will operate as normal on this day

Sports Update from Mark, PE Leader – Autumn term

Throughout the Autumn term, Jubilee School has been entering a number sporting competitions and festivals, namely football and cycling. The Y5/6 girls and boys football team took part in a competition in November at Mabley Green. Both teams played well, showed the school values while playing and had fun. Well done to both teams.

Next up were the Y3 and 4 children taking part in a football festival at the Young Hackney Hub in Hackney Wick. While at the festival they learnt new skills and played in a mini mixed football festival. They too had a great time.

The cycle league squad, made up of children from Y4, 5 and 6, have been taking part in the Hackney cycle league that started in September. So far they have taken part in three events and currently sit 2nd in the league. Only another seven events to go. Keep up the hard work team.

World Cup

Jubilee school are running our own World Cup to run alongside the FIFA World Cup in Qatar. The KS2 Jubilee World Cup started on Monday 21st November and we will have our finals on December 13th. We have a Y3 and 4 mixed World Cup and a Y5 and 6 mixed World Cup with over 150 children taking part in KS2. The teams were picked at random and so far we have had some fantastic games with all the children taking part showing great sportsmanship. May the best team win!

Personal Best

In the last week of the summer term Emilio and Kay took 11 children from the then Y3, now Y4, classes to the finals of the Young Hackney Personal Best Competition on Hackney Marshes. As Kay said on her return to school 'They have only gone and won it!', and indeed they did. The team beat every one of their personal best scores to take 1st place, beating over forty other school from around the borough.

A belated well done to.... Arron, Massimo, Suleman, Great, Elias, Ryan, Talia, Dilraj, Maariyah, Yohanan and Clem.

Great Fire of London in Y2

Children in Y2 were extremely excited to witness Jubilee's re-enactment of The Great Fire of London this week. They watched as the fire spread, burning all the models they made in class. The children were also able to advise how the houses should be set up to give a true reflection of that time and impressed Emilio and Ronnie with their knowledge of how and where the fire started and how it was put out.

Please join us for the

WINTER FAIR

Vikings in Year 5

This half term year 5 have been creating Viking jewellery from clay. After designing their jewellery in sketch books, they cut out their pieces from a rolled out slab of clay and then added their designs inspired by photographs of Viking artefacts.

Patrick Quarm in Art Club

Cher contacted the artist Patrick Quarm to let him know that some of our pupils were using his work as a springboard for inspiration. We were all so delighted when he replied to us! Here is what he wrote back to Cher and the children:

Hello Cher,

You have made my day. I know I am late to this but just settled and responding to all my emails. Seeing your students work put a big smile on my face.

It really looks like a great and fun exercise for the students. I love the outcome of their works and I am so excited to know that my work was an inspiration. I can't wait to see what they will do as they keep practicing.

Kindly let your students know that I am super proud of them and they did such an amazing job. They shouldn't hesitate to say hi or introduce themselves if any of them show up for one of my exhibitions.

You are an amazing teacher Cher. Thumbs up and all the best.

Kind regards,

Patrick
