

## **Jubilee World Cup**

In December 2022 Jubilee school ran our own KS2 World Cup with over 150 children taking part. We arranged it so we had a Yr 3 and 4 mixed World Cup and a Yr 5 and 6 mixed World Cup. We had some fantastic games and some surprises along the way, but every player showed great friendship and support to each other and every player shook hands after the game. Due to the snow in December we had to finish the competition in January.

In the YRs 3 and 4 semi-final Switzerland ran out winners by 6 goals to 3 as they eased passed Iran and in the other semi-final England scraped a 2 – 1 win against a very resilient Iran team. With both Switzerland and England looking very strong this promised to be a final not to be missed.

With a large crowd gathering the final it did not disappoint. In an open game of attacking football, England went into an early lead. This seemed to spur the Switzerland team on as they went on the attack and scored with a fantastic team goal. With the game heading towards extra time, Switzerland went on the attack and scored with the last kick of the game to clinch victory.

In the Yrs 5 and 6 semi-final Spain beat Senegal by 5 goals to 1 and in the other semi-final Morocco lost to Belgium by the same score line. This set-up an intriguing final of Belgium vs Spain.

This was another classic game of open football with both teams going for the win. The game ebbed and flowed as both teams played some attractive football. Spain had an effort cleared off the line as they put Belgium under pressure, but Belgium went on the counter attack and scored to take the lead. Belgium eventually went on the win by 4 goals to 3.

Well done to all the children who took part in the Jubilee World Cup 2022!
