

The theme of British Science Week is ‘connections’ and two visitors from Airbus kick-started the celebrations with an assembly and workshops sharing how Airbus designs and builds their planes with a network of connections across Europe. The wings are made in the UK! Year groups from Year 1 to Year 6 have been having workshops from STEAMlabs, creating connected sequences of code to program exciting devices. Beech class had a brilliant time being scientists during our Science week workshop. The children used the connection created between magnetic poles to program a robot to follow a course.

World Book Day Costumes 2023

Ramadan Mubarak, Happy Easter and zissen Pesach

Thank you to everyone who made it to the Annual General Meeting on 10th March. We were delighted to have 26 people in the room and online to vote on the charity's business and elect a new Committee.

Last year's efforts raised an impressive £19,800 which was spent for the benefit of the children of the school, including books, music resources, the garden, and new sound and lighting equipment for the New Hall. Please find the minutes of the last AGM and Chairs Report [here](#).

Our grateful thanks to the previous Committee – Jeanne Firat, Serena Bobowski and Osk Petursdottir – who have steered this ship for so many years, with a troop of willing volunteers along the way, to raise an enormous amount of money for the children of Jubilee.

Equality, Diversity and Inclusion

We've amended our charity's mission statement to reflect our commitment to inclusion, and to consider the impacts and assumptions of our decisions. Jubilee is an inclusive school whose pupils learn about many different religions, cultures and ideas. Pupils are praised for what they can do and for the potential to do well. We will keep these values at the heart of the charity, too.

Looking forward: What we're working for

This year, we will continue to raise funds to pay for activities that enrich the school life of our children, that otherwise the school couldn't afford, such as:

- LAMDA's specialist drama tuition, building children's confidence and speaking skills
- A gardener helping our children, many without gardens at home, to sow and grow food
- Books, books and more books. New, diverse and relevant!

Coming Up:

Monday 24 April – PTA meeting – all welcome! More details coming soon!

We're drawing up a calendar of events that is personal to our school children and families – are there holidays/occasions that you feel we should celebrate as a school? Please let us know. Please email jubileen16@gmail.com with any ideas, contributions or enquiries.

Quiz Night

Our first Jubilee PTA quiz night was a sell out event and a resounding success! The New Hall was packed with enthusiastic parents, carers and staff, eager to show off their knowledge and support our school. The evening was filled with laughter, good-natured competition, tasty drinks and delicious curry. The funds raised will go towards books, books and more books!

Thank you to all who attended and helped make it such a memorable evening. We couldn't have made this event such a success without the help of our wonderful volunteers. Thank you to all the parents, carers and teachers who dedicated their time to make this happen - your hard work behind the scenes was greatly appreciated!!

A special thanks to Eileen and Sam for your wonderful planning and amazing culinary skills and to Simon and Jude for creating an entertaining and challenging quiz.

It's not too late if you'd like to donate, please follow this link to help us reach our targets - we are so grateful for any contributions. [please click here.](#)

Movie Night

Year 4 organised a movie night this month and raised £200 for the school - if your year group wants a Friday evening of fun, film and popcorn, let's talk: jubileen16@gmail.com

Volunteering

We're all about micro-volunteering - the little things you can do that help the big jobs get finished... If you're interested in how your skills and ideas could be useful please let us know - we'll happily work with you to find the right project for your skills and time.

A few volunteering options:

- Label some new library books
- Spend a Tuesday or Wednesday afternoon in the garden
- Help us deliver an event next term (movie night, preloved sale, summer fair...)
- Something else - over to you!

Cost-free fundraising:

If you haven't already, please sign up to EasyFundraising and pick our school to benefit. Every time you shop online you could 'earn' us a small donation - they all add up. If 100 families used EasyFundraising just for a weekly online grocery shop, we would have around £2,500 in donations by this time next year - that's a lot of bake sales! Find out more here:

Reception visit the zoo!

Reception Classes had an amazing time at the zoo last week! Thank you so much to all the parents who came along and made contributions to enable us to go! It was a memory-filled day for all.

5 Stars!

We are delighted to have been awarded 5/5 for our hygiene rating in our catering kitchen. Thank you so much to all the caterers and staff who use the kitchen for keeping it spotless.

Red Nose Day 2023

We were delighted to be able to raise a fantastic £439 for Comic Relief this year. We all enjoyed a special day wearing red to mark the day! You can still donate by clicking [here](#).

Art in Year 1

Children in Year 1 have been learning about perspective in Art. We have used overlapping to help us make our pictures look 3D.

Turkey-Syria Earthquake Fundraising

The amazing community at Jubilee school raised a brilliant £2,345 for the Save the Children Emergency Fund. Thank you to you all for your generous donations. You can still donate to this fund by clicking [here](#).

Easter Egg Hunt

Reception, Year 1 and Year 2 had an amazing time at our Easter Egg Hunt this week! A huge well done to the Year 6 Prefects, who had the idea, planned and prepared it, and led the event on the day! They were so well organised and enthusiastic which made the hunt so successful. We are very proud of you all! Thank you to all who made a donation towards the event.
