

April 2023

## Cooking Workshops

This year we have been running a small number of cooking workshops for children and families in the Community Centre. We have turned boxes of free, surplus produce into delicious, fresh dishes to eat together at lunch time. At the moment we are busy fund raising and are hoping to expand the project so there are lots more of opportunities for everybody to get involved.

If you would like to hear more about what we have been up to and find out about ways that you can get involved, we will be holding a **Parent/Carer Meeting on 22nd May at 9:15am in the Community Centre.** We'd love to see you there!

EARTH DAY

KS2 STEAMLabs club learnt about the history of Earth Day and how we can all help to protect our Earth. They added continents and caring hands to the globes and we displayed them to remind people how beautiful our world is and that we should take care of it.

We also talked about Earth Day in assembly, and School Council presented the findings of their School Energy Review. This included tips on how we can all work together to reduce our carbon footprint and help the planet. Energy monitors will be responsible for ensuring lights and whiteboards are turned off when they are not in use during the day.

## News Update

We're delighted to announce that with the funds raised by the school community we have been able to fund two more projects this term. We're contributing £384 to the cost of the Kench Hill trip for Y5 as we have done for many years, and we are also giving £400 to support the Family Cooking Workshops, a new idea since November, which we hope will help them develop and grow.

As you know, we are exploring ways to be more inclusive as an organisation, we won't always get things right but we are committed to learning and understanding how we can do better. Let's talk in person or by email at [jubileeN16@gmail.com](mailto:jubileeN16@gmail.com). Thank you for all your support!

## Coming Up:

- Friday 5 May – Y6 bake sale – please come and support Year 6 by buying their delicious treats
- Friday 19 May – Great Big Book Swap and Preloved Sale– a classic bring-and-buy. Keep an eye on ParentMail and your class WhatsApp groups to find out more

- Saturday 1 July – Summer Fair – fun for all the family. And cake. Watch this space!
- We're also planning an Eid event and a Growing, Baking and Making event next half term, as well as class bake sales and movie nights.

If you want to volunteer or have any ideas about any PTA events please so get in touch via [jubileen16@gmail.com](mailto:jubileen16@gmail.com).

## Preloved Uniform sale

Selling preloved uniforms this week raised £73 for the school, kept wearable clothes out of landfill and helped out Jubilee families that needed new uniform. Please keep donating your used uniform, and buying secondhand – it's win-win. A reminder that you can just take the uniform you need, or give a money donation if you can.

## Cost-free fundraising

### Match-funding

Do you work for a company that offers match-funding? If so, you could help us double a donation: if you helped with a PTA event, they would match whatever your stall raises, turning £250 into £500. If they could match-fund the whole summer fair, that would be even more awesome. Please ask at work, thank you!

## Garden Update

The garden is a hub of activity with the kids busy sowing Jerusalem artichokes and potatoes along with potting up carrot, lettuce and broccoli seeds. The herb beds are being tended to, with the kids enjoying cutting back Salvia Hot Lips as it smells divine. A big hit has been Minibeast spotting in the compost (made by themselves from recycling organic matter). Next up is planting bee friendly flowers and lots more sowing.

## Early Years:

### In the Garden & Growing Topics

Children in the Early Years have been learning about how plants grow as part of their topics this term. The children have been planting seeds and observing what happens to their plants. We were amazed to see how fast the rapid-growing grass seeds shot up! Children in nursery has also been creating a sparkly minibeast display as part of their learning about the creatures that live in the garden.

# Come and Play Cricket at Stoke Newington Cricket Club

## Calling all Girls & Boys aged 5 years +

Join one of London's fastest growing & most successful cricket clubs for year round training & a full calendar of action-packed matches.....come & have some fun, no experience needed!

### STOKE NEWINGTON CRICKET CLUB

At the heart of Hackney cricket

Sign up for professional coaching, excellent indoor & outdoor facilities and most importantly have some fun, playing at the level that suits you.

For more information contact Duncan at [sncc@btinternet.com](mailto:sncc@btinternet.com) or 07770 803 384 or check out our website:

[www.stokenewingtoncricketclub.com](http://www.stokenewingtoncricketclub.com)

We are proud to have put cricket back on the map in East London, creating a thriving home for the sport on Hackney Marshes. Since our establishment in 1999 we've become one of the most successful junior clubs in the capital, but our mission is to give as many young people as possible the chance to and enjoy and play cricket to the highest standard they can achieve.

Our successful junior teams from Under 8s to Under 19s regularly win their local leagues and challenge for County honours. This summer three boys and four girls from the club have been selected for Middlesex County Squads.

Our team of professional coaches run year-round weekly training sessions for 5 to 19 year-olds. Summer training starts on Saturday 15 April at Hackney Marshes. Here's a link with all the dates and timings:

<https://stokenewingtoncricketclub.com/practices>

There's absolutely no need to book and the first couple of sessions are free of charge.

Once your son/daughter has settled in, there's an annual membership fee of £20 (which includes a free club shirt and cap) as well as £65 subs for summer training (12 sessions) - or a suitable proportion for those joining midway through a term.

For more information contact Duncan Holden at [sncc@btinternet.com](mailto:sncc@btinternet.com) or check out our website: [stokenewingtoncricketclub.com](http://stokenewingtoncricketclub.com)
