

Careers Week

Children across the school had an inspiring time this week as they enjoyed our first Careers Fair. We had visits from professionals working in a wide range of industries, from lawyers to project managers, photographers to architects, who generously gave up their time to talk to children about about their jobs. Thank you so much to all who helped by coming to talk to our children; it was fascinating!

Would you like to help us with our Careers Fair next year? We would welcome your support if you could spare some time to talk to children about what you do. Email admin@jubilee.hackney.sch.uk if you can help inspire the next generation!

Music Festivals

We enjoyed wonderful Music Festivals this month. We have been so incredibly proud of the children and the impressive range of performances from all the children. There was star quality in each and every one of them! The Jubilee band performed their own arrangement of Miley Cyrus 'Flowers', developing areas of our learning from class music lessons. We brought the house down - which actually made it a lot more difficult to play with 500 + people clapping along! Hallie was making her debut singing on her own and it was even her first time ever of using a microphone. Our Infant choir have worked so hard every Thursday after school to learn the 11 songs in this year's festival. They sung their hearts out and had a fantastic day proudly representing our school! What incredibly talented children we have at Jubilee.

Boil and Bubble!

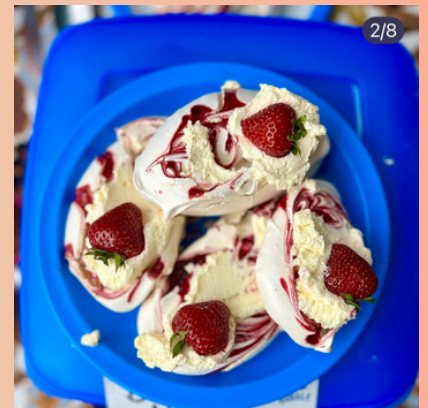

We've been delighted to host the launch of the new Community Cafe, Boil and Bubble, at Jubilee this month. Matthew, our lead teacher for this project, is working with Boil and Bubble Kitchen to help support families to learn about cooking and healthy eating, using surplus fresh foods.

This year, Matthew and the Boil and bubble team have:

- Run family sensory cooking workshops for all children in Reception and Y4
- Distributed over 1 metric tonne of surplus fruit and vegetables to our families.
- Opened the doors to our 'Community Cafe' with the help of some amazing parent volunteers.

Next year and beyond

We are in the process of trying to secure the funds that will make the project sustainable for the next academic year. We have a number of possible sources so fingers crossed! We aim to have the cafe open to the whole school community one day a week serving produce made by the children in the workshops, additional healthy snacks made by our parent team and distributing surplus produce to those who need it. There may be other exciting developments too... watch out for news stories on our [Instagram](#).

**Thank you if you
have helped run our
cafe this term!**

Eid party

Eid Mubarak to all our families who were celebrating this week. We had such a great time at our Eid Party last Friday, and were so pleased to see many happy faces, eating lollies, getting glitter tattoos, and munching cakes! Thank you to everyone who helped organise and run this event.

Sports Days

A huge well done to all our children who took part in our Sports Days for KS1 and KS2! All our photos from these days are a complete blur as clearly children were super-fast! Both KS1 and KS2 had fantastic days: great weather, amazing support from parents and carers, and beautiful behaviour from the children. There were so many highlights to the day, from children in KS2 setting new Personal Bests, to the hilarious falls and tumbles of the Parent/Carer Race! It was brilliant to see so many future sporting stars, and the spirit of good sportsmanship in them all.

Camping

Year 6 went on the annual Year 6 camping trip last week! They had an amazing time at Debden, and made some everlasting memories together. They had a fun-packed trip, complete with a lovely walk in Epping Forest, games of rounders and football, followed by making their own campfire to toast marshmallows! A crisis was averted when the pizza company's oven broke down, as George managed to source new pizzas and everyone had a hot dinner! Thank goodness! A little rain did nothing to dampen their spirits, as they had fun running around in it. At nighttime, there was lots of giggling in the tents as the children chatted past their bedtime! A massive thank you to all the staff who led this trip and made it possible for the children to make these treasured memories.

Uniform

Please be reminded of the school uniform expectations for September. You can see more about how to order the uniform and what your child needs to wear on our [website here](#). Please note: no hoodies.

Jubilee's Summer Fair

**SATURDAY
1 JULY
1-5PM**
