

A VERY WARM WELCOME TO JUBILEE from the PTA

Charity number 1179031

Would you like to help us support the school?

Together we raise funds to help provide all the things our school wants to do but can't afford on its own.

Thanks to the support of parents like you, we've raised money for school trips, drama lessons, our school garden and gardening sessions, cooking sessions, books, musical instruments and other learning equipment.

We want to help families feel part of the school community.

We won't ask you for more than you can give, whether that's time, energy or money, and we will be hugely grateful for any support you can offer.

Thank you so much for your support!

From the committee, on behalf of all our members,

*Ally, Amina, Bekki, Chery-Lynn,
Chris, Harri, Sophie, Zoe*

You could be involved in your child's learning:

- Cook together at the community café
- Sow and grow in our garden
- Listen to children reading
- Keep classrooms & library full of books

You could help make magical memories for our children...

at the Winter Fair, Summer Fair, Eid party, Film Nights, Bake Sales (other ideas welcome!)

You could help mark special moments for parents...

at school productions, Quiz Night, Carols in the Meadow, the Art Show, and more...

You could help us be sustainable...

- collect, sort, share/sell preloved uniform
- use your woodwork, sewing or other crafty skills to fix, create or maintain kit

If you're not able to help with any of these things, don't worry – the best way to support our fundraising is to come along to our events!

We'd love to see you there – we promise food, fun and friendship and everyone is welcome.

What's on

SUMMER FAIR SAT 1 JULY

Please come along, play some games, have some food (veggie and Halal options), and get to know the Jubilee community.

MAKE, BAKE, CREATE MON 10 JULY

COST-FREE FUNDRAISING

If you shop online, you could help the school raise money and it costs you nothing! Signing up to Easyfundraising means retailer commission goes to your choice of charity.

Even just a weekly grocery shop, with a 50p donation per order, adds up to £25 per year per family.

And it's not just groceries – it's clothing, subscriptions, holidays... It all adds up, and could make a huge difference to our fundraising, just for doing your usual shopping.
