

Parent and Carer Survey 2025

Parent and Carer Survey

In 2025 we had 172 respondents over a three week period.

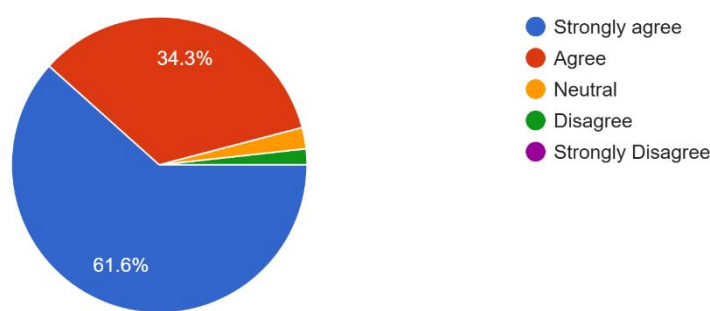

My child is happy at Jubilee.

172 responses

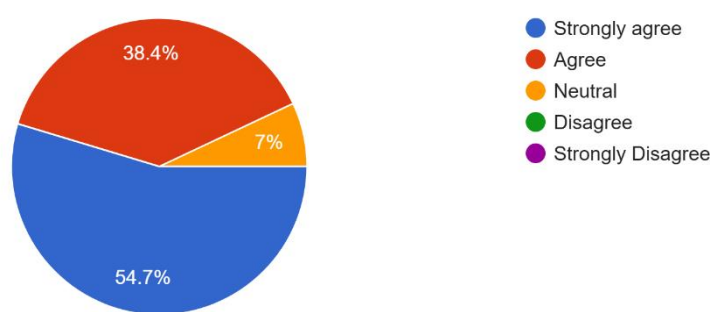

My child feels safe at Jubilee and is well looked after.

172 responses

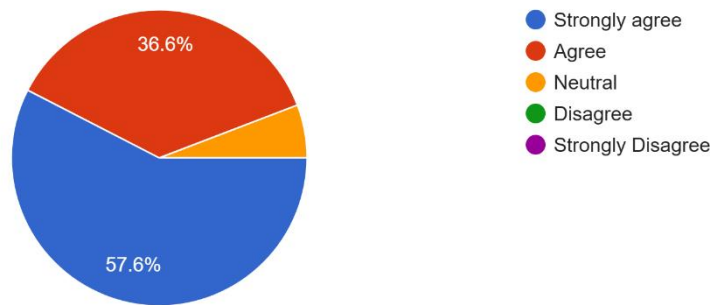

My child makes good progress in their learning at Jubilee.

172 responses

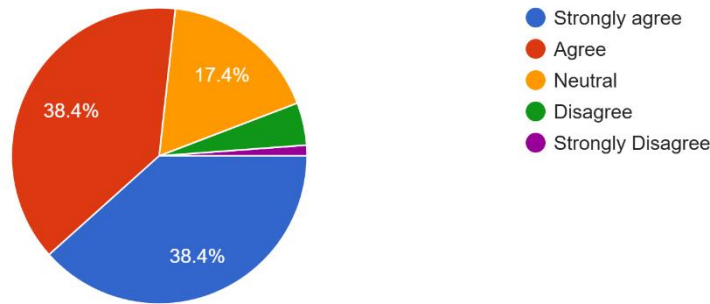

My child is well taught at Jubilee.

172 responses

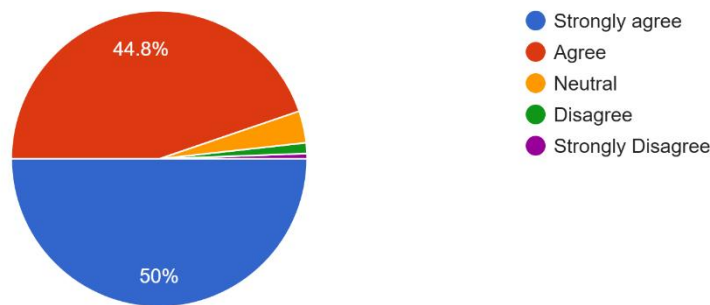

My child receives appropriate homework for their age.

172 responses

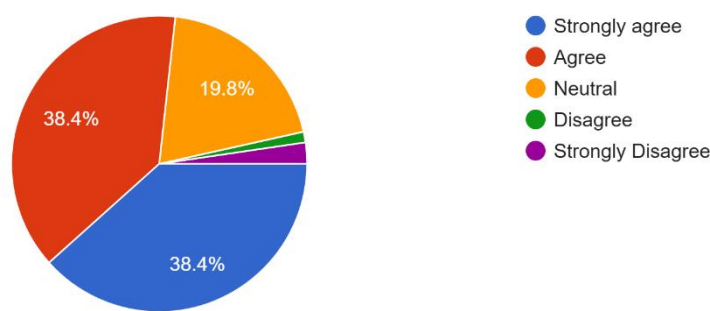

Jubilee ensures pupils are well behaved.

172 responses

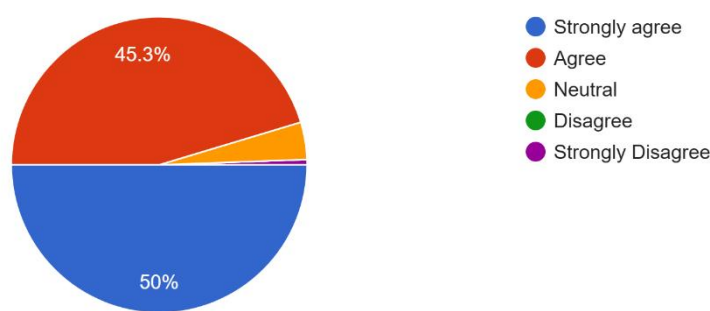

Jubilee deals effectively with bullying.

172 responses

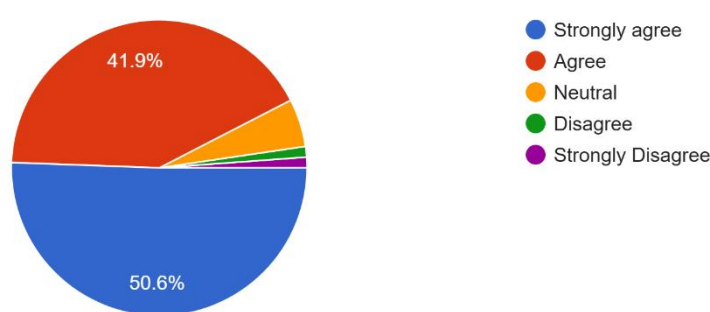

Jubilee is well led and managed.

172 responses

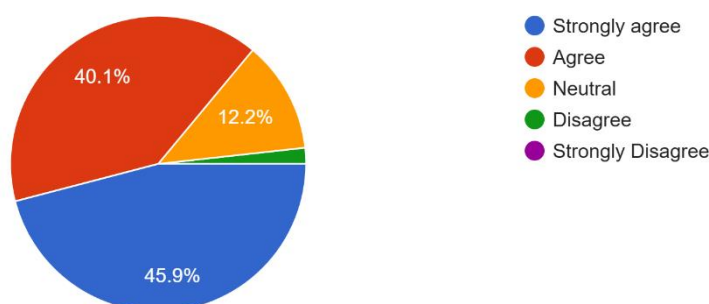

I receive valuable information from the school about my child's progress.

172 responses

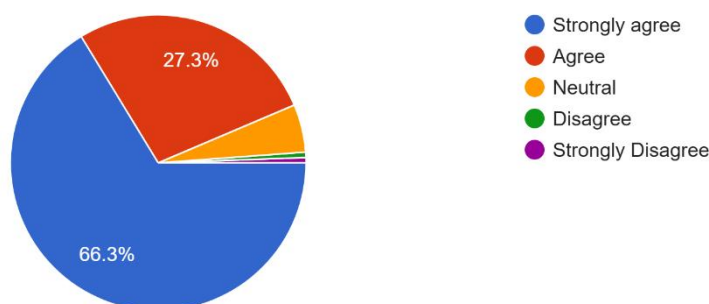

If I raise a concern, Jubilee responds to it well.

172 responses

I would recommend Jubilee to another parent.

172 responses

Below is a selection of comments from the additional commentary box in the survey:

- *We are thrilled with the education our children are receiving. We think the school is very very well managed and that the staff are first class. Thank you!*
- *Jubilee is a very welcoming school, with lovely supportive staff!*
- *Both my children have had a very happy, safe and nurturing experience at Jubilee.*
- *I am continually blown away by the teaching staff (SLT and Support inc.) at Jubilee. Always going above and beyond. Being creative and determined when funding isn't forthcoming. Being nurturing and supportive through challenging social times. Striving to create rich and valuable educational experiences for ALL. Imagine what it could be if the funding was there and the DfE curriculum less dry...*
- *I put neutral to ensuring well behaved and to bullying as I haven't had the opportunity to see this happening, so can't answer those in more detail. I would always like more info on how my daughter is doing, but the level provided at parents evening is very helpful and appropriate. If I ever have questions they are answered quickly and in detail. Thank you.*
- *With immense financial challenges, jubilee offers creative and interesting learning for my children. School trips. Activities. Guest speakers. My kids are always happy to go to school and come home with something exciting from their day. They get to move their bodies. Play outside. And be creative. All really important in addition to the academics. As the my kids have gone through the year groups, I can see jubilee has thoughtfully and appropriately increased the demands and expectations.*
- *My child is happy at Jubilee. I feel like more free after school club should be offered to parents on benefit. And we should receive feedback on how they do on their spelling each week and the words can be harder*

- The community at Jubilee is unrivalled in my opinion, so much opportunity to be part of the school.
- Jubilee is utterly fantastic! The staff are all totally dedicated and proud of the school and that really transcends throughout the school to both pupils and families. My child feels empowered to learn and is always well supported. Whenever there's a problem it is quickly and efficiently resolved. My child experienced some bullying at the beginning of the academic year and the school went above and beyond to deal with it. Constant communication and support for both children. Jubilee's approach to education is well-rounded and the children thrive. They even make sure families feel part of the school, the school recognise that by involving and engaging positively with parents, children are happier and we are a community. We love jubilee and are so lucky and blessed to have such a wonderful school for our children. Could not recommend enough!
- Being at this school has helped to boost my child's confidence
- The teachers are so compassionate and caring my child has come leaps and bounds and I am completely confident my child is safe and secure and happy when they are at school
- Best school in Hackney
- I absolutely love the school and so does my daughter. I'm so happy she had a place here. Genuinely so so happy. Thanks to Molly and Caroline for being the best teachers in the world - you make it so much fun for reception children.
- Jubilee is a wonderful school - warm, nurturing, supportive and encouraging. Everyone takes the time to get to know each child and there is a wonderful community in place. Our son is very happy here!
- Both class teachers in YR and Y1 have gone out of their way to get to know, support and connect with my child and their individual needs. She loves the teaching staff!
- There is a sense of children always being well looked after. The emotional wellbeing of children is a priority, and that's very reassuring. There is also a sense that children, led by example, learn to look after one another, and be kind to one another. On occasions that we, parents, needed to discuss something, school staff were immediately available and willing to spend as much time as necessary. We get good reports on the progress of our son, and this year's teacher, I'm really glad my child join Jubilee school. As a parent of a SEND child I had my concerns about how the school will meet my child's needs. Two years later I can say that all my concerns regarding school and education disappeared. My child and his needs are coming first on the list, his education and happiness are priority at Jubilee.
- Thank you for being fab. We especially like all of the extra-curricular opportunities and trips. Lamda, the musicals, tennis tournaments, ceramics, cycle league etc. The school garden and regular gardening sessions for the kids are really special and helps them to be aware of their environment. The school does a good job of keeping these opportunities going despite funding challenges. And everyone is so friendly. Thank you!

'You said, we did' – actions following this survey

Thank you again for all of your feedback, it is really valuable to us. Based on the results and your comments and suggestions, we will be:

- Continuing work to engage all families across our diverse community
- Ensuring communications around key events such as trips are sent well in advance
- Clarifying with parents how screens are used during the school day
- Exploring additional opportunities for physical activity
