

# **CHARGING POLICY**

## **1. INTRODUCTION**

The purpose of this policy is to ensure that there is clarity over those items which the school will provide free of charge and for those items where there may be a charge. The policy has been informed by the Hackney Education policy and Department for Education (DfE) guidance and agreed by the Governing Body of Jubilee Primary School.

## **2. AIMS**

The aims of this policy are to explain:

- The variety of sources from which the school may generate income aside from funds officially delegated by the local authority and government, donated funds, contributions and funding bids; and
- The collection and administrative procedures, including credit control and debt recovery.

## **3. DEFINITION**

Income may be generated subject to the provision of the Education Act 1996. No charge may be made for admitting pupils to maintained state schools. During the school day all activities that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This excludes charges made for teaching an individual pupil or groups of pupils to play a musical instrument. Unless the teaching is an essential part the National Curriculum syllabus being followed by the pupil(s).

The school day is defined as: 9:00am-12:10noon and 1:10pm-3.30pm (KS1); 9:00am-12:30pm and 1.30-3.30pm (KS2). The nursery full-time hours are 9:00am-3:15pm and part-time hours are either: Early Week: Monday, Tuesday and Wednesday 9-12 or Late Week: Wednesday 12:30-3:15, Thursday and Friday.

## **4. RESPONSIBILITIES**

The Head Teacher will ensure that staff are familiar with and correctly apply the policy. The governors will review the policy annually or as necessary.

## **5. SCHOOL VISITS AND OTHER ACTIVITIES**

We believe that the curriculum is enriched by educational visits and other activities such as visiting drama groups or storytellers and these come with a cost to the school. To cover the costs the Head Teacher and Governing Body of Jubilee Primary School may ask for parental contributions towards these extra school activities. Wherever possible, teachers will aim to organise trips that are free of charge, including applying for free travel through the Transport for London School Travel Scheme. However, where charges do apply, we will ask for a contribution from families towards covering the cost. In these circumstances no pupil will be prevented from participating because his/her parents or carers cannot or will not make a contribution. If insufficient funds are available it may be necessary to curtail or cancel activities.

When a child is admitted to Jubilee all parent/carers sign an admission form giving permission for their child to leave the premises and go on school trips as part of the curriculum.

## **6. ACTIVITIES OUTSIDE OF THE SCHOOL DAY**

Jubilee provides a range of extended school childcare and extra activities.

### 6.1. ACTIVITIES ORGANISED BY THE SCHOOL

Each term a school organised activities will run for 10 weeks both before and after the school day. Such activities are not part of the National Curriculum or religious education nor are they part of an examination syllabus. These activities will be offered free of charge however, attendance will be at the discretion of the Head Teacher based on a selection criteria (free school meals, childhood obesity, being on a previous term's waiting list, chronological order of application).

### 6.2. ACTIVITIES ORGANISED BY EXTERNAL PROVIDERS

A small number of before and after school activities are organised and run by external providers on the school premises. The current list of providers, their activities and contact details can be found on the school website. ### 15. JUBILEE NURSERY

#### Free Entitlement

From 1st September 2017, government funding free entitlement for three and four year olds attending Jubilee nursery was extended from 15 hours to 30 hours. This new entitlement is 1,140 hours of early education for children whose parents are working and at our nursery this means 30 hours over 38 weeks, term-time only. The additional hours (government funded hours) are available to children in families where:

- Both parents are working (or the sole parent is working in a lone parent family) and;
- Each parent earns, on average, a weekly minimum equivalent to 16 hours at national minimum wage (NMW) or national living wage (NLW), and less than £100,000 per year;

Further information on free childcare for nursery aged children can be found on the Hackney Education's website <https://education.hackney.gov.uk/section/childcare-family-support-and-childrens-centres>

Fees for Additional Hours for Parents only eligible for 15 hours

Jubilee Primary School offers parents who are not eligible for 30 hours £90 per week to top up their free 15 hours to a maximum of 30 hours per week.

Funding is only available for children in the term after they turn 3 years old. If children begin nursery mid-term, shortly after their 3<sup>rd</sup> birthday, the full or part-time fee will incur. The full time fee for children attending full time, not currently eligible for funding, is £180 per week. The part-time fee is £90 per week.

The Governing Body of Jubilee Primary School and Fernbank Children's Centre has a duty to ensure that all fees are paid to the school. Fees are payable in advance either monthly or weekly and as specified in the Nursery Charges Contract. Fees must be paid whether or not the child attends the session because the fee is for the 'place'.

### NON-PAYMENT OF NURSERY FEES

In order to secure a full time place in the nursery, fees should be paid in advance of attendance. After one week of non-payment or late payment, you will receive a written letter advising of a possible

suspension if fees cannot be paid by the deadline set out in your letter. Fees will still be applicable during the time the nursery suspends the place.

Two weeks of non-payment will result in withdrawal of the additional hours you are paying for and your child will not be permitted to come into the nursery for those hours until the fees are paid in full. If the fees are not paid in full after four weeks, the nursery will terminate the contract and send a letter to confirm this.

The person with parental responsibility will be pursued for nonpayment of fees and debts outstanding to Jubilee Primary School. The school will exercise its right to prosecute the debtor for non-payment after all reasonable methods have been exhausted.

In case of overdue fees or overdue late fee charge the school is entitled to charge interest and compensation at rates prevailing from time to time under the Late Payment of Commercial Debts (Interest) Act 1998 on any sum, as well as before or any time after the judgment not paid by the person with parental responsibility by the due date. The school is entitled to charge the person with parental responsibility all and any reasonable cost incurred by the school, whether administrative, collection or legal, in recovering or attempting to recover, any payment due, by 1st of the month.
